Dear Martin and Friends

May the beauty and promise
of this blessed season
be part of your life
today, tomorrow and always.

HAPPY EASTER!

Our gratitude once again
for all the computers
received from you and the
others. The children are
using them and they are
even able to browse now.
Thank you and God bless!
Sr. Pricilla

"Jesus stood in their midst and said to them,
"Peace be with you."

Lk 24:36
